## A personal profile

My name is Eric. I'm 16 years old. My birthday is on 23<sup>nd</sup> June. I was born in Germany so I'm German.

I'm from Munich in Germany. It's an old and beautiful city. Lots of people come here to visit it. I speak German, English and a little bit Spanish. My parents' names are Maria and Joseph. I love them. They take care of me and help me a lot. I haven't got any brothers or sisters.

I'm tall but a little plump. I should work out at the gym but I'm too lazy and impatient. However, I'm friendly, sociable and reliable. It means that you can always rely on me if you are in trouble.

I'm interested in history and foreign languages. I'm keen on sightseeing. My favourite subjects are History, Geography and English. I've got friends in other countries and we write emails. I'm fond of swimming and playing tennis. Sometimes I go skateboarding. I also like visiting foreign countries with my parents.

I'm looking for someone who shares similar interests and passion for history.
